VINTAGE TYPE CO.

END USER LICENSE AGREEMENT

Desktop License

The Desktop License is required for any project where:

• You are receiving compensation for your work

• You, your company, or any third-party is profitting from your work

The Desktop License allows you to install the font on up to 2 devices.

For rights to install on 40+ devices you can purchase a Production License.

Web License

The Web License is required for any project where:

• Web files are needed to embed to your website or app

• Your website or app recieves between 1000-250,000 impressions per month

All web font files are included with your purchase of this license as you are expected to host the files on your own or on a third party web host.

Desktop+Web License

The Desktop + Web license is a way to save money when both desktop and web licensing is best suited for your needs.

All requirements for both licenses still apply to all licensed files.

All desktop and web font files are included with your purchase of this license. With web font files you are expected to host the files on your own or on a third party web host.

Broadcasting License

The Broadcasting License is required for any project where:

• You are using the font for any television or motion picture productions where you or a third party are receiving compensation

• You are using the font on a YouTube channel with over 10,000 subscribers

This license is exists on a per-project basis.

Production License

The Production License is required for any project where:

• You are using the font as a primary source of design on an end-product that is available for re-sale

• The Font is being embedded in a service that allows end-users to use the Font in a template or theme, both digital or physical

All desktop and web font files are included with your purchase of this license.

MM VINTAGE XV

TYPE COMPANY

All licenses provided by Vintage Type Co. allow for usage on an unlimited amount of projects, with the exception of the Broadcasting License. All licenses provided by Vintage Type Co. also strictly prohibit any rebranding, reselling, redistributing, modifying, or altering to the files you have licensed. All licensed files are always owned by Vintage Type Company. If you ever have any questions about any of the information in this EULA you are suggested to get in contact via email at the address admin@vintagetype.co and your inquiry will be responded to within a reasonable time frame.

Thank you very much!
